## MegaCast
BY FUTURE B2B

ActualTech Media's MegaCast themed tech webinars have been proven to be a leading way by which business and technical decision makers educate themselves on technologies and what's available to them in the market.

These multi-vendor virtual events offer viewers back-to-back presentations from 6 to 8+ vendors that have a story to tell around the theme of the event.

## ExpertCast
BY FUTURE B2B

The ExpertCast provides clients with the ultimate "set-it-and-forget-it" turnkey experience. We provide expert-level content, give you a sponsorship shout-out, and present a slide to our audience about your solution.

## EcoCast
BY FUTURE B2B

The EcoCast is a webinar that provides a variety of more targeted-focus themes. With 2 to 6+ vendor/companies participating and a minimum of event registrations.

They are a perfect way to tell a receptive audience about your product or service.

## SmartPanel
BY FUTURE B2B

Have your thought leader or subject-matter expert join a virtual panel with other topic area specialists to discuss the topics and challenges that your company and customers care about most.

## SINGLE VENDOR WEBINAR PROGRAMS

In addition to the multi-vendor webinars on our schedule, we're happy to help you execute your next webinar. A standard webinar is up to an hour long and carries with it a minimum commitment of 150 registrations. We provide a project manager, the platform, moderation services, and can even speak on the webinar as independent experts. We've performed dozens of highly successful webinars for a number of happy clients! If you have a webinar need, please contact us.
